

# CERTIFICATE PENETRATION TEST

**SySS GmbH**  
**Schaffhausenstraße 77**  
**72072 Tübingen**

hereby confirms that it carried out a penetration test for the company

**netfiles GmbH**  
**Marktler Straße 2b**  
**84489 Burghausen**

**Test item:** Webapplication netfiles including the underlying infrastructure

**Test period:** March 24 to April 2, 2025

**Test depth / resistance period:** The simulated attack lasted eight person-days.

**Summary of test results:** SySS GmbH hereby confirms that the test item resisted all attack activities throughout the above-mentioned test period and with the scheduled test depth. No major security flaws were detected.

**Recommendation:** SySS recommends that the test item be retested after every significant change or at the latest after one year.
