

# CERTIFICATE PENETRATION TEST

**SySS GmbH**  
**Schaffhausenstraße 77**  
**72072 Tübingen**

hereby confirms that it carried out a penetration test for the company

**netfiles GmbH**  
**Marktler Straße 2b**  
**84489 Burghausen**

**Test item:** "netfiles" and "netfiles classic" including underlying systems

**Test period:** March 9 to 18, 2026

**Test depth / resistance period:** The simulated attack lasted 5.75 person-days (actual test period).

**Summary of test results:** At the end of the test period SySS GmbH confirms that the test item resisted all attack activities. The achieved security level of the test item was considered very good, taking into account applicable industry standards and best practices. Any observations identified during the engagement were addressed and successfully resolved in coordination with the client within the testing period. This is hereby confirmed by SySS GmbH.

**Recommendation:** SySS GmbH recommends that the test item be retested after every significant change or at the latest after one year.
